**GENERAL INFORMATION**

**ENG 1300 is 6 credits of free electives**

**Free Electives:** At least 50% of Free Electives must be at 3000-4000 level. English majors may not use ENG major courses as Free Electives except for ENG 1996 and ENG 3291/2/3. Free Electives can be used to complete a minor (generally 18-24 credits) or a second major in another discipline. For more information about the many programs offered at Kean, consult the Undergraduate Catalog online or visit individual departments/departmental websites

**Summer Courses:** Kean offers two summer sessions each year. Students may take two courses (or seven credits, whichever is greater) in each summer session. Summer courses are recommended as a way to stay on track for four year graduation if fewer credits than recommended are completed during regular semesters.

**For more information about your major requirements,** consult your major advisor and the following resources: major curriculum sheet, Program Evaluation in KeanWISE (aka Degree Audit), Undergraduate Catalog (online), and program/department websites.
